***13<sup>th</sup> January 2017***

Welcome back to school and Happy New Year! I hope you all had a wonderful Christmas break, and a chance to refresh your batteries!

The weather has definitely turned colder, and I would take this opportunity to remind parents to send children into school with jumpers, coats, hats, gloves and scarves, so that our children can continue to enjoy playing outside.

I would like to remind parents that attendance at school is a legal requirement for children age 5 years and older, unless they are ill. Being punctual and attending school regularly not only helps children develop their social relationships, but also promotes and assists their learning and their work ethic.
