From the Headteacher:

23rd September 2016

What a lovely week this has been! The weather has been fairly lovely, and it has really begun to feel like Autumn.

The class teachers have chosen names for their classes, which should make it easier to identify which class children belong to. All the names are those of woodland creatures, so please ask your children which class they are in!

I would like to take this opportunity to remind parents of a few things to keep in mind: if you are dropping your child off at school late (because of a doctor's appointment for example) then please make sure you bring them to the office and sign them in. It is important that we know exactly who is the school and when!

Also, please remember that the school is a nut-free building. If your child has a packed lunch, please make sure that you do not include nuts or nut-spreads of any kind. Thank you!

Our pedestrian gate has been fairly sticky lately, but it has been checked over, and I am assured that it is open at the correct times, but may need a firm shove to get it open. You are very welcome to come onto the school grounds before pick up, but please do not go onto the playground before 3pm as our children will still be outside, and we need to make sure they are safe.

I hope you have a lovely weekend!
