## Pupil Premium Report

### Summer Term 16

The Pupil Premium Grant is awarded to schools based on the number of pupils known to have been eligible for free school meals in any of the previous six years as well as those identified from January 2012 onwards.

We are also required to report to parents how much money we are allocated, what we spend the money on and the expected outcomes and impact.

Evaluation will focus on the development and progress of the "whole child."

In some cases the funding will be used to meet the needs of vulnerable children irrespective if they meet the criteria for the Pupil Premium Grant.
