Parking

Please:

Please be considerate and park thoughtfully!

Please do not park on the yellow lines outside school and ensure you leave sufficient space for passing traffic to get by safely.

App Update

Thank you to the parents who have signed up for the E-Schools App, just over half the parents in the school have done so- if you need any further information to assist you in downloading and getting started with the app, please contact the school office!

From the Headteacher

12th January 2018

Another busy week- we're almost half way through the first half term!

A reminder for those of you who missed sending your children in for their flu vaccinations, there is an opportunity for you to book in for a catch-up flu clinic. Wokingham Hospital are having their clinic on Friday 26th January. To book a space, please call 01189 207525.

A number of parents have already signed up to the E-Schools App, but are experiencing difficulties accessing the school calendar through the app. We have contacted E-Schools who have said that they know about this issue, and are working hard to resolve it as soon as possible. They apologised for any inconvenience this may cause. If you are having any difficulty with the app, please let us know, as we need to report as swiftly as possible so that we can have a reliable system that works! Also, please ensure that you have turned your notifications on!

Please can you ensure that you park legally outside the school and not on the yellow lines, across our neighbours' driveways or opposite other parked vehicles which restricts the traffic flow- this makes it very dangerous for pedestrians!

Have a lovely weekend!

Michelle Masters
