Phonics and Tricky words

When spelling tricky words, please only use the names of the letters and not the phonic sounds. This really confuses the children when they come to read and spell them. There won't be any tricky words in the screening test but the children need to know how to read and spell the Year 1 Common Exception words.

love	come	some	one	once	ask
------	------	------	-----	------	-----

phode 	luft 	burger	first

Art Week

Monday 2nd March

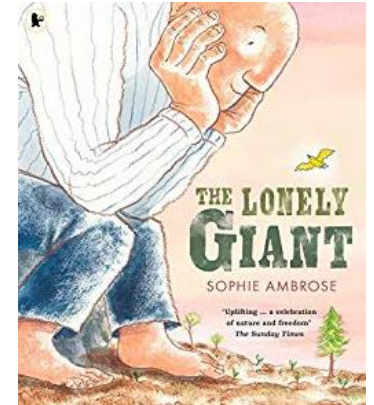

The theme of art week is recycling. We are going to be doing bottle top art. Please can you continue to save any clean, plastic bottle tops and bring them to school this week.

Tuesday 3rd March

We have the author, Sophie Ambrose, coming to visit us on Tuesday 3rd March.

Details have been sent home about purchasing her books before the visit if you wish.

The children will have a workshop with Sophie where they will be creating and drawing characters and making mini books. She will be signing any books you have purchased in the hall after school. Unfortunately, you cannot purchase books on the day.

World Book Day - Thursday 5th March

For World Book Day this year we will be continuing the theme of recycling and reusing. The children can come dressed in their pyjamas or as a book character. In the spirit of recycling, please reuse or make an outfit.

Reminder

Please can you remind your children to leave their toys at home.

Thank you for your continued support, Year 1 Team
