11th Internal Transition Day

Thank you so much to all the parents who managed to brave the rain on Thursday to watch our Sports' Day- we were really fortunate that the weather lifted and the children were able to complete the course! Thank you also to Mrs Bergmann for organising the event and all the lovely staff who helped her set up and clear up the equipment. The children had a wonderful time! Thank you also to the super PTA for providing ice lollies for the children to enjoy after all their activity.

As the end of the term seems to be approaching us faster and faster, the school diary appears to be getting fuller and fuller too.

Fortunately, we don't need to have our reserve Sports' Day, but we will still be holding the EYFS to Year 1 transition meeting online on the 28th. You should all have received an invitation to our Tray Day on 1st July, which gives parents the option to come into school before the end of the day on Friday to see their children's classrooms and their work, before heading over to see their new classrooms for September. I know that there are plans afoot to reintroduce Stay and Play sessions to allow parents more opportunities to come into school and see what their children are up to. Monday 4th July is our internal transition day, where our Year 2 children will head over to the local church for a school trip, and our other year groups will move into their new classes for the afternoon. We are excited to be hosting our new children for Reception in September also.

Our EYFS parents have also been invited to an EYFS Celebrations Afternoon (more information is in the class bulletin). Friday, 8th July, will be another busy Friday, with our Summer picnic on the Junior School field, followed by our Reports going home and the PTA Summer Disco. A lot to do and remember in the next few weeks, full speed ahead!

Have a lovely weekend!
