How lovely it was to see all the happy, smiling faces of the children as they showed their parents their work and their classrooms. Thank you so much to the parents who were able to come to the Tray Day today, it was brilliant to have everyone in!

Monday 4th July is our internal transition day, where our Year 2 children will head over to the local church for a school trip, and our other year groups will move into their new classes for the afternoon. We are excited to be hosting our new children for Reception in September also.

Friday, 8th July, will be another busy Friday, with our Summer picnic on the Junior School field, followed by our Reports going home. If you haven't yet returned your Picnic form, please do so as soon as possible so we can organise cover for everyone.

Foundation stage will be having a Beach Day on 13th July, Year 2 will be heading to Beale Park for their last school trip on the 14th and the week will end on a musical note with the PTA's summer disco. Hopefully, we will have good weather all of next week so we can enjoy all the lovely activities that have been planned.

We are still looking for 2 Learning Support Assistants to work part time with two of our SEN children in September. If you are interested in the role, or know someone who would be, please contact the school office or speak to Mrs Killick or me on the gate.

We are also still looking for volunteers to spend a few hours each month in the school garden- watering and weeding. Please contact the school office if you would like to help out. Thank you!

Have a lovely weekend!
