

Week 14th-18th September 2020

Dear Parents,

This is our weekly bulletin. It is our aim to keep you informed about what your child is learning at school.

We've have continued to enjoy getting to know all of the children and we have been amazed at how well they have settled in this week. Well done to all of you!

Tapestry-

Look out for your activation link which should have arrived via e- mail this week. You will be able to set your own password. Once your account is activated you can view your child's learning journey. Please come and talk to Mrs Fuller if you have any issues activating your account.

Please Remember-

- Fruit will be provided at school for snack. However, please send in a labelled bottle of water for your child to use during the day.
- If your child is having a packed lunch, please send in a labelled lunch bag.
- If your child is having a lunch provided by school, please talk to your child about the options on offer for that day.
- From next week your child will be spending the whole day at school. Pick up time is at 3:15pm and you will be collecting your child from outside the classroom door in the playground.

Next week we will be reading the book 'Owl Babies' by Martin Waddell and we will be doing activities linked to the story.

<https://www.booktrust.org.uk/book/o/owl-babies/>

In Maths we will be looking at the number 4. We will be counting objects and matching numbers to the count.

Hand sanitiser -

The children have been brilliant at washing their hands in school using the soap and hot water. Please don't provide your child with their own hand sanitiser because we cannot make sure that this is monitored.

Please ensure you keep up to date with all the school dates/news and PTA events at our website, www.willowbankinfant.com. Mrs Masters publishes a weekly newsletter every Friday.
