I would like to start by thanking you for your continued support in keeping our school as safe and healthy as possible. The wearing of masks in the playground and school building, as well as adjusting to the new drop-off/pick-up measures, reduces risk and helps us to function as close to normal as we can.

We have had a fun and busy week in school. Foundation have been searching for Stick Man, Year 1 have been investigating old toys, and Year 2 met some real rats to launch a writing unit, and we have rounded off with our Children in Need day. The children look super in their spots and bright colours. **Please look in your child's book bag for parents' evening Zoom meeting details.**

Thank you to the Year 1 and 2 parents who joined us for the online Teach-In sessions this week. Your feedback was gratefully received and we're pleased you found the presentations informative and useful. The slides will be uploaded onto the school website soon.

Please may I remind everyone to be respectful of our neighbours when walking past their houses before and after school. Our local community and residents are important to us. In the interest of safety, can I please ask that you park outside the school gates and walk into school. We have more families using the front of the school now and opening the gates increases the risk of an accident. Our school **Christmas Dinner day has changed to Wednesday 15th December.** Further details about meal options will be coming soon.

The PTA still have a number of pairs of Clark's shoes for sale. Thank you for setting up the stall in the playground this week. If you are interested in buying a pair of brand new themed Clark's shoes then please contact the PTA for more details.

Have a lovely weekend!
