## PE and Sports Premium at Willow Bank Infant School

## Autumn Term 2016 Reflection: What have we achieved and where next?

Key priorities to date:	Key achievements/ what worked well:	Key Learning/ What will change next year:
To improve and enhance the provision of PE at Willow Bank Infant School.	Staff coached in developing the fundamental movement skills within a variety of sports including lacrosse and golf.  Increased staff knowledge and understanding.  Staff continuing to become more confident at teaching PE.  Enhanced quality of delivery.	This action reflected value for money in terms of the budget allocated. As a staff we would like to build on this and continue to develop staff's professional development especially as new staff members have now joined Willow Bank Infants.
Broaden and enhance the sporting opportunities and experiences available to pupils.	Targeted children who would not normally be involved in sport by paying for them to take part in after school club activities.  • Individual children benefited a great deal from the opportunity to play after school sports. Enhanced pupil participation.	This action reflected value for money in terms of the budget allocated. The children who benefitted from this action have since moved onto the Junior School.  We will be having new children take up this opportunity again where this is an area of need. We always consider this action in case we have any new starters who would require this or family situations change.
	Purchase dance workshops, circus skills workshop, tennis workshop and travel arrangements to allow all children sporting opportunities.  • Children's confidence and selfesteem have continued to grow. • Improved positive behaviour from the children due to greater enthusiasm, concentration and enjoyment. • Children are more prepared too	This action reflected value for money in terms of the budget allocated. We wish to continue providing workshop days for the children offering them a variety of styles and experiences.

 To develop a love of sport and physical activity. "have a go."

Additional space for the whole school to use regardless of the weather has resulted in less accidents and issues with games. – A more user friendly, all sport surface that abides to Health and Safety regulations.

 It has had a positive impact on all children at playtime and lunchtime.
 More sports and games activities are being carried out during playtime, lunchtime and PE lesson time.

To further promote the use of the outdoor space we have had new playground markings to encourage new games and activities.

• This enhanced the children's playtime and lunchtime further.

Purchase yoga workshops, healthy living and fitness workshops and martial arts workshops.

- Children's confidence and selfesteem have continued to grow.
- Improved positive behaviour from the children due to greater enthusiasm, concentration and enjoyment.
- Children are more prepared too "have a go."
- Positive attitudes to health and wellbeing.

 Developing Physical Literacy through fundamental movement skills.

Purchase of specialist sports equipment to develop a fully inclusive curriculum.

• Children's confidence and selfesteem have continued to grow. This action reflected value for money in terms of the budget allocated.
With such a positive impact being made to the outdoor play of children it has enabled us to see the benefit of such an action.
We wish to continue providing workshop days for the children offering them a variety of styles and experiences developing their

love of sport and physical activity.

This action reflected value for money in terms of the budget allocated. However, our equipment spend is predicted to be less in the next sports premium spending.

Improved positive behaviour from the children due to greater enthusiasm, concentration and enjoyment.  Purchase of lunchtime play equipment to work alongside with the playground markings in encouraging new games and activities.      This enhanced the children's playtime and lunchtime further.	Maintenance of this equipment will be taken into consideration.
