Dear Parents,

What a week it's been! We hope you are all surviving the hot weather! Fortunately, the Foundation stage has stayed relatively cool and we've made sure that the children are drinking lots and wearing their hats. If the weather continues next week, please ensure your child has a hat and comes to school wearing sun cream. We have been practising for Sports Day and are looking forward to next Thursday! Please check your child's book bag as we have made cards for Dads and Father figures this week in celebration of Father's Day.

Handwriting- Please encourage your child to practise writing his/her name and forming their letters correctly. We sent home a sheet containing the letter formation rhymes that we use in school in the Autumn term. Please refer to this when supporting your child at home.

Literacy, Understanding of the World

This week we have continued our learning around Little Red Riding Hood. The children wrote wanted posters for the wolf and when he was found, we interviewed him and asked him lots of questions to understand why he was so bad! As part of our Understanding of the World topic, we have been learning about mini-beasts. The children have been making their own mini-beasts from playdough and going on bug hunts in our learning garden. Perhaps you would like to go on your own bug hunt as a family this weekend?

Maths Activity

Next week in maths we will be counting to 20 and beyond. You can have a go at this activity with your child if you wish.

Missing Number

Cut out or make number cards from 11-20. Place them in order and then ask an adult to take one whilst you have your eyes closed. Which number is missing? How do you know?
