30th May - Summer Half Term
3rd June

Well, the first week of the summer term has simply whizzed by and with the long weekend ahead, next will no doubt also be a quick one! Even though this half term is a short one, it is also a very busy one. Our Year 2 children will be participating in the SATs tests, and whilst we work hard to ensure that the tests are as stress-less as possible for the children, we do ask our Year 2 parents to support their children by ensuring that they go to bed on time and get enough sleep, and that they have a healthy and filling breakfast. As the sun will (hopefully) begin shining soon, please remember to put sunscreen on your children. Please send it in to school for your child to use if they are able to apply it by themselves. Recent media reports have highlighted that some sunscreen manufacturers have replaced their base oils with almond or other nut oils. Please check the sunscreen you have purchased to ensure it doesn't have nut oils in it, as we have some children and staff at school who are allergic to nuts and may have a reaction from coming into contact with the sunscreen. I hope you all have a lovely long-weekend and a chance to enjoy the predicted sunshine!
