23rd April 2021

Welcome back to a sunny summer term! I hope you all had a wonderful Easter break and a chance to relax and recharge. The children have made an enthusiastic start to this term, and are settling back into our school routines well.

As the sunshine and relaxing lockdown rules are allowing us all a chance to see our loved ones and friends, it is important to note that the **guidance for schools** has not yet been significantly amended. The expectation is still that we will remain in our year group bubbles, and continue to restrict contact between groups and individuals. We will continue to monitor the latest guidance and hope that we will soon be able to welcome families back into school and allow our children to interact across year groups again. As we have done throughout the pandemic, we will keep you updated as the term progresses and appreciate your support and understanding.

Please remember that from next week, **children in Year 1 and Year 2** will need to come to school in their **PE kit on their PE days**. We realise that many of our children will have outgrown their PE kits, and so at the moment, children are welcome to wear non-uniform shorts or joggers and a t-shirt. We have today launched '**Operation Excellent**' with the children, which is a school-wide project to encourage our children to develop their positive learning behaviours. I have attached the PowerPoint we showed the children to the parentmail that sends out this newsletter so that you can see what we will be working towards and encourage your child to try their best to achieve their Secret Agent Missions. Once our Willow Bank Secret Agents achieve their 007 learning behaviours status, we will have a special surprise for them.
