It looks like the sunshine is going to last all weekend! I hope you all get a chance to enjoy it.

Our Year 2s are now half way through their SATs papers, and are handling the change of pace and structure in the classes really well. We should be all done by Thursday next week, so please do continue making sure your children are getting enough sleep and a healthy breakfast each morning next week.

Next week Friday our very lovely PTA will be holding a cake sale after school. More information will follow shortly.

Some of you may have seen the notices on Church Road, indicating that the road will be closed next Friday. This will have an enormous impact on traffic flow in our neighbourhood so please be aware that it may take a little longer to get to school at drop off and pick up time. The weather forecast looks promising, so please walk to school if you can. The road works on Butts Hill road should also be finished soon, but in case they overrun, please be aware that a lot of vehicles are being diverted down Duffield Road, and they are not all being careful drivers. We have had a few near misses with cars racing past the school, so please do take extra care if you are walking or are parked on Duffield Road.

And, finally, a gentle reminder to parents that children should not be playing on the play equipment in the mornings before school or in the afternoons at pick-up time. This applies to younger and older siblings too.

Have a lovely weekend!

*Michelle Masters*
