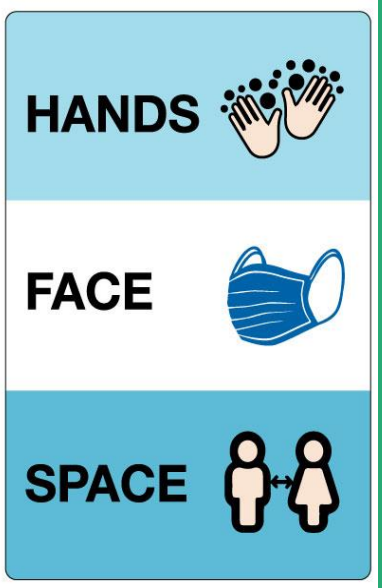
24th	Class Photo Day
July	
2nd	Non-Uniform Day (more information to follow)
21st	Year 2 Leavers' Breakfast (more information to follow)



From the Headteacher — 11th June 2021

What happened to summer? Our garden is grateful for the rain, although I am sure the children would have preferred to be outside playing today.

I am very pleased to announce that we will have a new School Business Manager joining us at the end of this term. Mrs Leslie Vallance is an experienced SBM who has recently moved into our area and joins us from a school in Buckinghamshire. We are looking forward to welcoming Mrs Vallance to the Willow Bank Team.

Thank you to all of those parents who are reminding their children not to cycle or scoot on our playground this week. We appreciate your support.

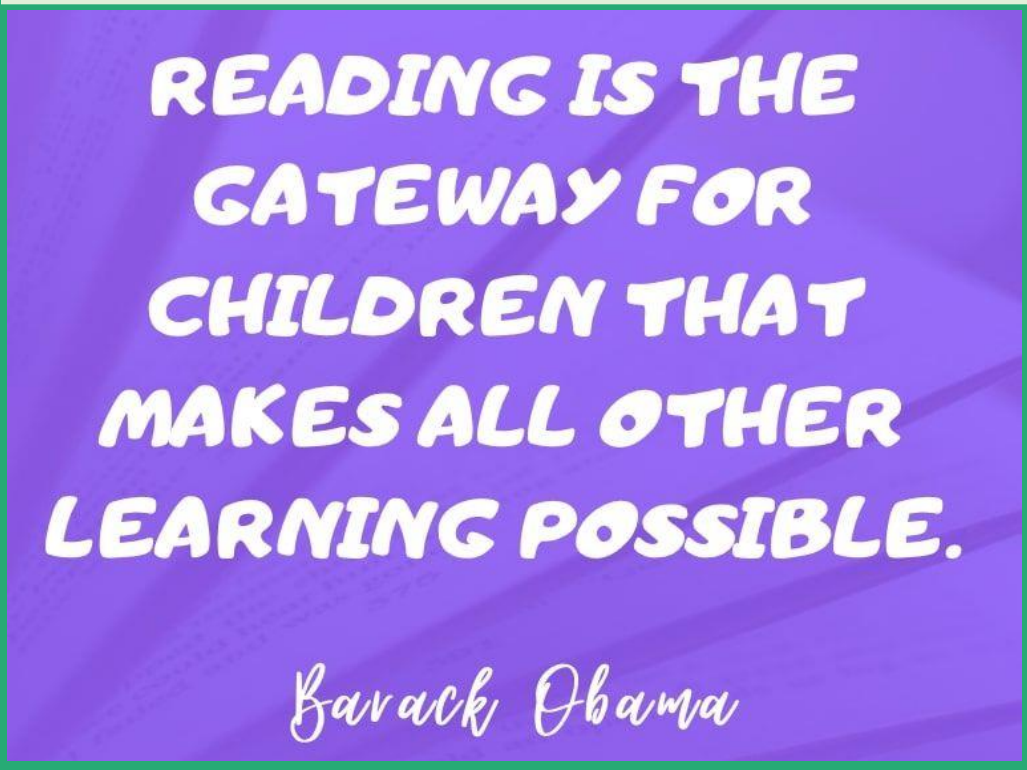
Remember that our children will have their **annual class photograph next week** on Thursday, 24th June. Let's hope it will be a sunny day as we were planning on having the photographs outside!

We are hoping to start doing **transition work** with our children next week, although it won't take it's usual form. I know the Year 2 parents have had a meeting with the Junior school where the plan for transition to the juniors was explained.

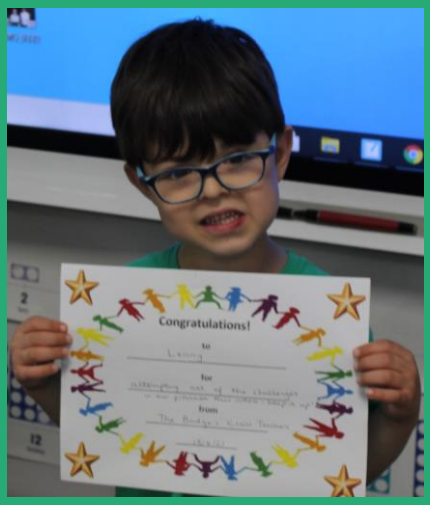
We love **celebrating birthdays** with the children in our school, but aren't able to distribute sweets or cake in school. If you would like to share some items with your child's class, this can be done at the end of the school day outside the classroom, however, please bear in mind that we still need to adhere to Covid safety guidelines, and so it is best if it is something that your child can hand to their classmates without assistance. Children who receive items need to check that it is okay to eat it with their collecting adult.

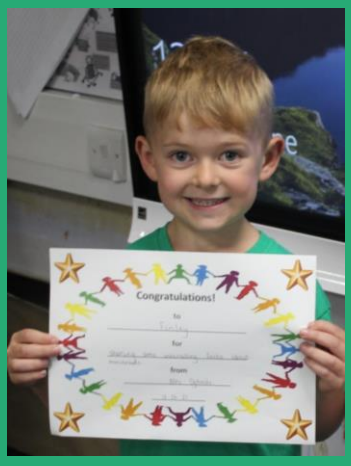
Have a lovely weekend!

Michelle Masters



Congratulations to these children!





Happy Birthday to you!
