

Week Beginning Monday 10th February 2020

English: We will be carrying on with Katie Morag Stories and our SPaG focus.

'Katie Morag and the Two Grandmothers' by Mairi Hedderwick

We will be focusing on Spelling, Punctuation and Grammar (SPaG)

- Suffixes (word endings, -ed, -ing, -er)
- Plural endings (-s, -es)
- Capital letters for names
- Using question and exclamation marks

Maths - Time

We will be starting to look at time in maths.

- Before and after
- Dates
- Telling the time to O'clock and half past

Junk Modelling - musical instruments

This week we will be making musical instruments on Friday 15th February using junk modelling. Start thinking about what you want to make and collect the pieces you need. We will be making it in school, the children will just need to bring their items in, in a named bag. Thank you.

Phonics and Tricky words

When spelling tricky words, please only use the names of the letters and not the phonic sounds. This really confuses the children when they come to read and spell them. There won't be any tricky words in the screening test but the children need to know how to read and spell the Year 1 Common Exception words.

he	we	she	me	no	go
----	----	-----	----	----	----

dox		melp	
glisp		shound	
cripe		thoft	
jigh		frue	

crept	thump
fuel	knock
stroke	author
feeling	haystack
shortest	cabbage
