What wonderful weather there has been lately, the children are certainly enjoying the sunshine! And thank you so much to the wonderful parent who delivered icecreams for the staff- it was very thoughtful and kind of you!

Hopefully the warm weather will continue next week so we can have a brilliant Sports' Day on Thursday. However, if it isn't brilliant weather, we will make the call to postpone it (by 8:00 am) to our reserve date of Tuesday 28th June. We are very excited to be having a Sports' Day to which we can warmly invite all our families.

Our transition meetings are in the diary, so if you have a child in Year 1 or Reception, please make a note of the date and that the meetings are scheduled for 7:30pm- more information about the meetings will be sent out early next week.

And finally, if there are any parents or family members who would like to take on the care and maintenance of the school's front garden from September, please get in touch with me or the school office. Our gardening service mows the lawn, so we need someone to weed the beds and add to the planting. We also need people who would be happy to water the garden over the summer holiday.

Have a lovely weekend!
