

FOUNDATION STAGE BULLETIN

Week 4 16th - 20th March 2020

**TOPIC: Real life Superhero's
and Spring**

Parents,

Art week will be rescheduled, please keep saving any clean, plastic bottle tops and bring them to school. We will need enough to cover a whole display!
Thank you in advance.

Please continue to bring in any junk modelling 😊

This week we will be looking at people who help to keep us safe. We will be learning about Doctors, Nurses, Paramedics and firefighters.

Literacy

We will be learning about how doctors and nurses care for us.

Phonics and Reading

This week will be continuing to revise taught sounds and assessing children.

Maths- Addition to 10

In maths we will be finding ways to make 10 using 2 numbers. We will also be introducing missing numbers problems and subtraction to 10.

Show and Tell

This week we would like the children to bring in their favourite book to school, it could be a fiction or non-fiction book. Please share the book at home with your child and encourage your child to talk about their favourite character in the story and why they like the story. If it is a non-fiction book they could talk about what they have found out about a particular animal etc, or share some interesting facts. We will be doing this through out the week so your child can bring their book on any day of the week.

Important Information

Your child has been given his/her own usernames and passwords to access the Education City and Purple Mash software online. They can be found stuck on the inside of the back cover of his/her reading record. There are many fun activities and games for the Foundation Stage 2 year group, which they can do online.
